WELCOME TO LMD SUPPORT SERVICES

LMD Support Services is proud to be fully operational and supporting participants at all hours of the day. Since opening just a few months ago, we are already supporting more than 7 valued participants. We treasure each individual and remain committed to delivering meaningful, person-centred supports that promote independence, confidence, and opportunity.

SUPPORT IN ACTION

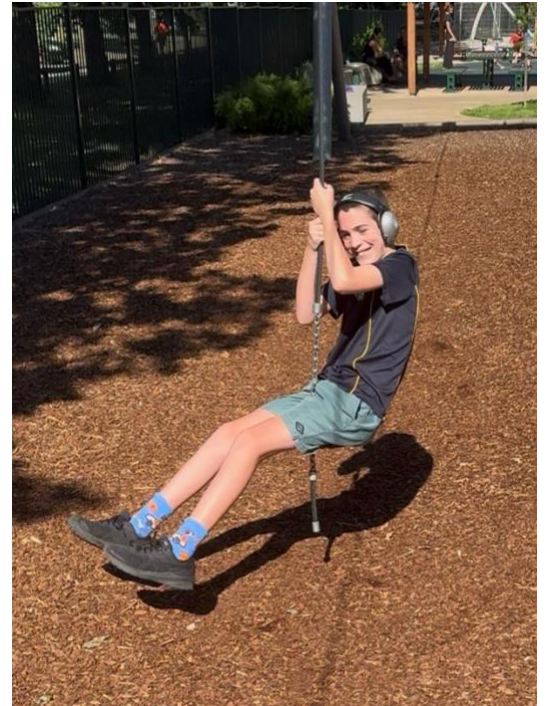

LMD Participant Nelson has recently started boxing lessons. Nelson attends classes twice a week to learn how to box. This is a great experience for him, and he really enjoys it! Keep an eye out in the next few years to see him on the international stage!

Young Sam is enjoying playing on a big flying fox! The most enjoyable part for Sam was pushing his support worker, Lachie really fast!

After the joyride on the flying fox, Sam attended All Abilities Basketball. Sam attended the whole 45 minute session and sunk a total of 15 hoops. Next Australian legend in the running!

PARTICIPANT SUCCESS STORY

One of our participants started gymnastics classes about a month ago. New places can be a challenge for him which made it take a little while and a few lessons for him to get the hang of things.

Last week he attended his class with his support worker and absolutely smashed it. He stayed for more than 30 minutes and learnt so much.

We are super duper proud of him!

STAFF – LACHIE

Lachie, our Manager and Support Worker, leads with integrity, compassion, and professionalism. He is deeply committed to delivering high-quality supports and building strong, respectful relationships with participants and families. His hands-on leadership style ensures every participant receives consistent, reliable, and meaningful care. Lachie's dedication is a driving force behind LMD's continued growth and positive culture.
